Dear Steve,

We are very grateful for your letter. You are the only one we have heard from so far. Expected to hear from Judy as she was to send us her address. Did she write to you as yet?

We left Merced Lake Sept. 9 about 10 A.M. We had a really nice trip down. Enjoyed it much more than the ride up. They had reserved us a real nice cabin with bath. Sunday morning we went to Church, and they had reservations for us at the Akwanan Sun. Eve. Della went with us and we had a very nice Filet Mignon dinner. He took a tour through the kitchen which was interesting.

Monday morning we talked with Mr. Ewing. He assured us work if we wanted for fall & winter. So we left with the hope of returning soon. As it was our married

We want to wish you much success
Steve and thank you again for all your
help last summer.

Our report was very good from the
Hotel Division for us and our helpers.
Considering it was so new to us all,
it was very successful.

Let us hear from you Steve. I
believe Stan wants to add to this

Bye for now. Lovingly Gladys

Hello Steve: Seems like yesterday that we
were together, but time sure rolls on and life changes
as the days go by doesn't it? Hope you find time to
keep us posted from time to time as to your whereabouts
and how you are getting along. We shall never forget
the way you took hold of the business end of our camp
and more ~~that~~ than your share of the heavy work. Things
like this we don't forget. Hope you are not too busy in
your work & school to enjoy life along with it. We
can't get used to this buying groceries. Rough isn't it?

Whats the price of orange juice now Steve?

Let us hear from you when you have a
few minutes.

Love & Best Wishes

Stan
